

I. Coaching Purpose and Functions

Grand County Coaching for Triple P Practitioners:

Coaching will increase practitioners' confidence and competence to deliver Triple P, to deliver Triple P as intended, and to deliver Triple P in varied situations and settings. Coaching is program specific, grounded in supporting fidelity, and is a collaborative effort to support a practitioner in delivering Triple P. The use of the coaching best practices, observational data, and other data sources will support these goals.

II. Grand County Coaching Structures

The following coaching structures will be a part of Grand County Coaching for Triple P.

Grand County Service Delivery Organizations (SDAs)	Exists	Needs
 <p>Grand County Youth Organization</p>	<p>Grand County Youth Organization has an administrative supervision</p>	<p>Provide support to include coaching functions into this supervision</p>
 <p>Local Youth Activities Association</p>	<p>Agency peer support with PASS</p>	<p>Support other agencies with 3+ practitioners to use the PASS model in peer support, assess willingness to open their peer supports to solo practitioners, is hosting a virtual peer support with PASS an option?</p>
 <p>Child Health Agency</p>	<p>Organization with no existing coaching related to Triple P</p>	<p>Connect providers from smaller agencies into an open peer support with PASS or connect them with a coach</p>
 <p>Grand County Middle School</p>	<p>No Triple P coaching exists</p>	<p>Support other agencies with 3+ practitioners to use the PASS model in peer support, assess willingness to open their peer supports to solo practitioners, is hosting a virtual peer support with PASS an option?</p>
 <p>The Interfaith Church</p>	<p>Peer support does not meet coaching functions</p>	<p>CIT will host consultation days/calls/Triple P trainer led PASS sessions with Triple P trainers 6 times per year</p>
<p>Community-wide available coaching</p>		<p>CIT will host consultation days/calls/Triple P trainer led PASS sessions with Triple P trainers 6 times per year</p>
